

# Saw Tooth Star

## Cutting the fabric

- cut one 3 1/2" square of focus fabric one

- cut eight 2" squares of focus fabric two

- cut four 2" squares of background fabric

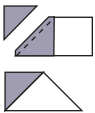

- cut four 2" x 3 1/2" rectangles of background fabric

 1) Lightly mark a diagonal line on the back of each of the 2" squares of focus fabric two.

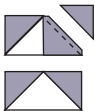

2) Place a 2" square of focus fabric two on top of a 2" x 3 1/2" background fabric rectangle with right sides together and the marked diagonal line as shown. Sew on marked line. Repeat with the 3 remaining background rectangles.

3) Cut 1/4" away from the sewn line as shown. Press the seam toward the focus fabric.

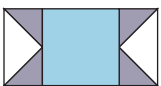

4) Take one of the units pieced in Step 3 and place one of the 2" squares of focus fabric two on top, right sides together, with the diagonally marked line as shown. Sew on marked line. Repeat with the three remaining units and squares.

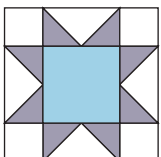

5) Cut 1/4" away from the sewn line as shown. Press the seam toward the focus fabric. This completed unit should measure 2" x 3 1/2".

6) Piece two of the 2" background squares with one of the units completed in Step 5 as shown. Press the seams toward the background squares. Make a second row exactly like the first row for the top and bottom Block rows.

7) Piece the 3 1/2" square of focus fabric one with the two remaining units from Step 5 as shown. Press the seams toward the focus fabric one square. This completes the center row of the Block.

8) Complete the Sawtooth Star Block by piecing the top and bottom rows with the center row as shown. Press the seams toward center of the Block
